

# Mobileye 8 Connect Guidelines

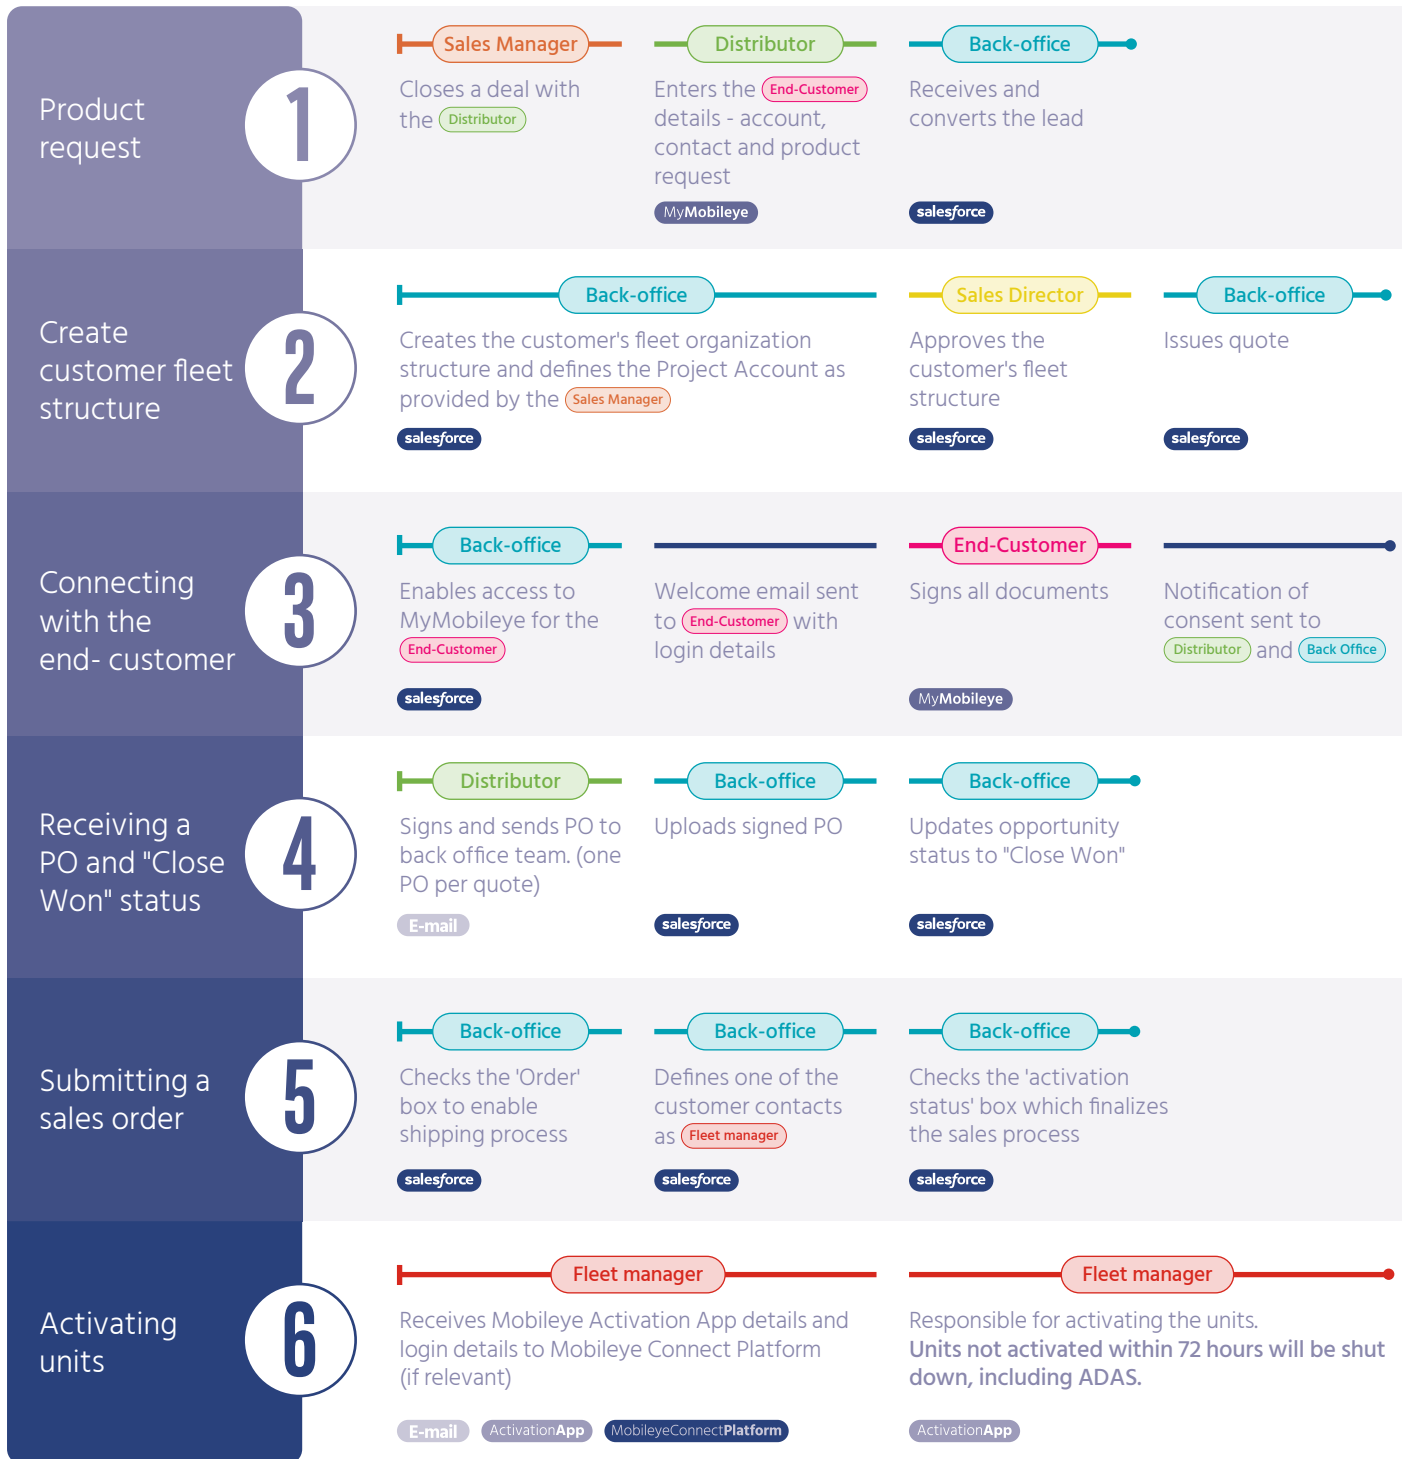

## Indirect Sales and Operations Process

Here we'll discuss the procedure for selling ME8 through distributors and resellers (throughout this document, "distributors" will refer to both distributors and resellers).

### Back-office

Before starting this process, please note that the **Distributor** **must** have signed the **Mobileye 8 Connect Distribution Annex** and **must** have access to **MyMobileye** (our portal).

### MyMobileye

A website for Mobileye distributors and customers. Here distributors can manage the sales process of Mobileye products and customers have an easy way to sign documents.

### ActivationApp

An app used by fleet managers to scan in the serial numbers of Mobileye 8 Connect units installed in their vehicles

### MobileyeConnectPlatform

A platform that works in conjunction with the Mobileye 8 Connect to help fleet managers supervise their fleets and monitor safety.
